Chris Cole

Turner - New Business Bid Programme Delivery Manager

“Explore the parallels, challenges and opportunities between the Oil and Gas decommissioning journey and the Turner Defence Sector experience, in the context of a changing regulatory and financial environment.”

“Negotiate greater access to how much outsourced public services are actually costing suppliers and how much profit they are making”

“data available in only 31% of contracts”

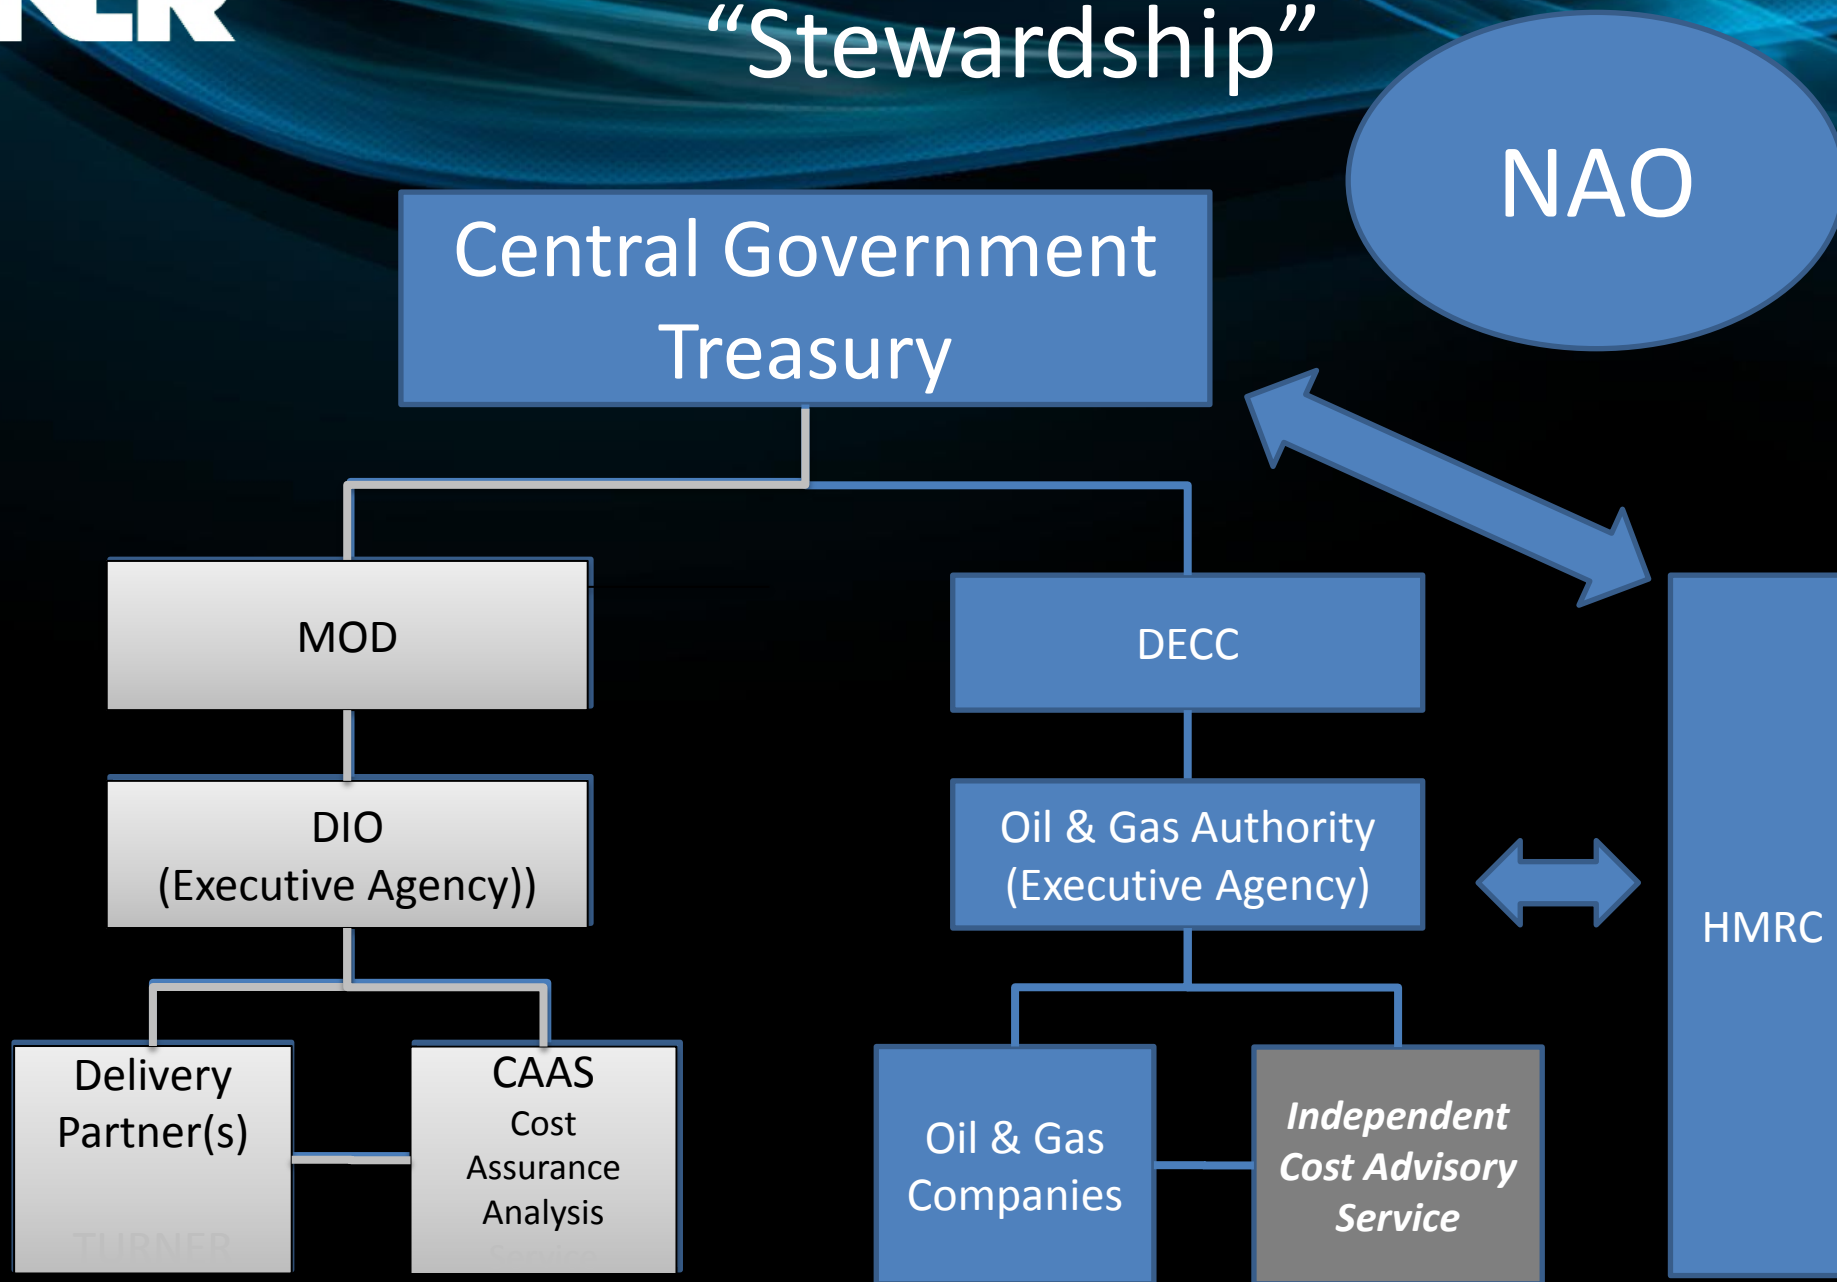

“only 23% of government organisations have a policy”

Recommend 5 approaches

MOD Regional Prime Contract - Case Study

- Support Services and Capital Project
- MOD Estate Stewardship
- Asset Management
- Provision of Data
- Public/Private Sector Shared Costs & Benefits

“Stewardship”

“Transparency”

“Cost Certainty”
